

# ARCHANGEL MICHAEL

PROTECTION • COURAGE • DIVINE GUIDANCE

*You are protected by a pure and innocent heart.  
Courageously follow the path of Love.*

Archangel Michael is the dedicated warrior angel who protects the spiritual destiny of every soul. He wields the fiery sword of truth, clearing ignorance, fear, and all illusions that separate you from the Divine. Here Michael carries the golden staff of Mayan Master Cib, the Wayshower, with the Divine Child walking forth from his illuminated heart, and Goddess Athena's medicine Owl behind him. Together they exude the protective energies of Divine love born of purity and innocence.

Archangel Michael wants you to remember that you are protected and guided upon your soul's path as you follow your heart and inner knowing. Your heart's GPS always knows the way. So fear not, for your guides and angels assist you every step of your life journey.

If fear has overwhelmed you, closed your heart, made you feel unsafe, or dimmed your ability to trust your inner knowing, it's time to clean away the negative energies and reset in the light. Archangel Michael is present to shine the golden light of truth and wisdom upon you and your Divine path. Deep cleaning of your mind, body, and spirit is needed to restore the purity and innocence that live within you.
