

MASTER JESUS

FORGIVENESS • SURRENDER • TRANSFORM

*Let go and forgive judgments and mistakes.
Divine love, compassion, and kindness are upon you.*

Master Jesus is the Ascended Master who teaches the alchemical law of forgiveness as an essential tool on the path of enlightenment. *“Forgive us our trespasses as we forgive those who trespass against us.”*

We cannot be forgiven or whole until we forgive others. Negative thoughts of anger, judgment, hatred, resentment, and intolerance against others create our problems. These energies poison all of our being. Forgiveness is the perfect alchemy that cleans us of past wrongs and misunderstandings, ultimately attuning us to the Christ frequency.

Call upon Master Jesus to help you let go and be present in love. What do you need to let go of in your current situation? Do you have any judgment of yourself and others? Are there mistakes that haunt you or circumstances where you have an intolerance?

If so, work with forgiveness and compassion. Your willingness and focus to forgive will release the situation at hand and the energy that keeps you from love. With this practice you will shift your cellular DNA and karmic debt through the past, present, and future timelines. You will clean away harmful, negative energies and return to kindness and compassion in your healed heart.
